Dear Customers

Our Smokery Team

Corrine and James are settling into BMS life and doing a great job heading up our production and warehouse with Jonathan. Kate and I are office based and always at the end of the phone to answer any queries and take your orders. We are looking forward to extra help in the autumn, from our son, Hugh and his gorgeous cousin, William. I am sure you will meet the boys at fairs in the run up to Christmas. As ever please treat them gently as they find their feet!

Great Taste Awards 2018

We are thrilled that our classic Oak Smoked Chicken Breast won 2 Great Taste Gold Stars this year to add to its 2015 award. The judges had this to say: "Impressive! Really juicy & moist with a well-balanced natural smokiness." If you haven't tried it, now is the moment. Wonderful served in a Caesar Salad or with Mango, Avocado and Lime Wedges as a starter or a platter.

Our Seasonal Plea!

Please can we urge you to plan ahead for Christmas. If you order in advance you can select a delivery slot on a preferred date but please remember that the much sought after delivery slots nearest Christmas get filled up very quickly! Ordering in advance allows us to plan our production and deliver fresh produce with the longest possible shelf life on the day of your choice.

CHRISTMAS EARLY BIRD OFFER 2018
