Welcome to The Early, Early Christmas Fair 2019

Yes, we are back again, and I am so excited about the selection of stalls we have on offer this year. The Early, Early Christmas Fair is one of the first fairs on the circuit where the stalls are brimming over with fabulous, inspiring gifts and treats for everyone, including: delicious food items, fashion, personalised stationery, books, beauty products, pictures, stocking fillers; beautiful things for your home and garden; gifts for men, women, children and babies; and much more. With over 100 stalls, there really is something for every passion and every interest and with every purchase you make, 10% will go to the charity. Your purchases and your generosity help our soldiers and families when they need it most.

The Early, Early Christmas Fair could not happen without our hugely generous sponsors General Dynamics, Aspire Defence, KBR Aspire Defence, The Umbrella Bar Company and the Committee and volunteers, who have been so very loyal to this cause and work so hard to ensure the continued success of this flagship annual event for the charity. I personally cannot thank them and all of you enough for your support.

Thank you all for coming and please tell everyone about it and let's make it raise even more for our soldiers, their families and their children.

ABF The Soldiers' Charity For Soldiers. For Veterans. For Families. For Life.

Kirstie is 40 years old and married her husband in 2011. He served for six years with the Coldstream Guards and undertook tours of Afghanistan, during which he was injured when two rocket-propelled grenades blew up behind him. He suffered with hearing loss in one ear and a fractured spine. He left the Army in mid-2012 and is now a self-employed gardener. Kirstie suffers from a neurological condition that leaves her with uncontrollable and often painful muscle spasms. She was told, after a serious fall a couple of years ago when her leg completely separated from the hip, that she might never walk again, but after a series of operations and sheer determination she is able to walk short distances with the aid of a crutch. We provided her with a grant for an all-terrain wheelchair, which has vastly improved her quality of life. The couple have six children.

“So far I have been into town, shopping, to the woods and on walks with the dog. I have been able to attend hospital appointments flying solo and have been able to go to functions which, before having the chair, I would have been unable to make. The nicest thing is to be able to pick my kids up from school on my own. I had no idea that there was a charity out there that supported the families of serving soldiers and veterans. It has really been a life changer.”
