Hello!

We are a family business, established in 1996, committed to delivering our own fresh and delicious range of naturally oak smoked foods along with other artisan food and drink, mostly Welsh, and always supplied by like-minded family producers.

Oak Smoked Fish, Meats & Cheese

Our award winning produce is hand prepared each week at our smokehouse in Crickhowell. We use traditional curing methods and modern kilns, which evenly distribute natural oak smoke, with no artificial anything!

We take great pride in provenance - sourcing quality foods from trusted UK suppliers only.

Our products are vacuum packed. They should be kept refrigerated at or below 3°C and should be consumed within 3 days of opening. All our products can be frozen without loss of flavour for up to 6 months.

Visit Us

Our smokery shop is open Monday - Friday 9am - 5pm. For seasonal Saturday opening and late hours, please keep an eye on our website. If it helps, you can place orders in advance for collection.

Our Service

We provide a friendly, reliable UK mail order, gift and hamper service. Order online, by phone or by post and choose your delivery date. We are always here to help. Please order as far in advance as possible in order to receive freshest produce with longest shelf life.

“ So impressed! So helpful when I phoned and my parcel didn't disappoint in any way, beautifully packed and delivered on time. Fresh tasty meats, cheese and fish we so enjoyed - Thank you. I have already recommended you to a friend and will certainly be purchasing from you again.

BLACK MOUNTAINS SMOKERY NEWS

APRIL 2022

Thank You

As ever, a huge thank you to all our customers for the loyalty and support you show us year after year! Please remember that if you ever need help, we are always at the end of the telephone to take orders, offer advice and answer any queries.

Mail Order Prices 2022

Having held our prices for several years we are, sadly, forced to update our price list for the year ahead. The new prices simply reflect the crazy increase in cost, across the board, of fresh produce, ingredients and packaging, utilities and fuel. Our bulk buy offers are there to help fill your larder for less and please take advantage of our Jubilee Offer and regular monthly promotions via our e-newsletter.

Our Delivery Service

We are now using DPD couriers for deliveries. They are a little more expensive but have proved far more reliable. Please ensure that you provide us with a mobile contact number, where at all possible, especially for gift recipients so that they can be notified of delivery times and give delivery instructions where required. You don't have to be in to sign for our parcels, but please provide "Leave Safe" instructions so that parcels are not left anywhere silly!

BMS Roadshow!

2021 saw the return of many favourite Christmas fairs, all in aid of fabulous charities. It was a joy to meet so many customers face to face again after months of lockdown. We hope to see you at an event in 2022 - find our diary online or give us a ring!

Stump Up For Trees

Please help us support this fabulous local charity and offset the carbon footprint of your parcel. We match fund every £2 donation to plant a tree in the beautiful Brecon Beacons. We have so far raised funds to plant 470 trees.

Order in advance for delivery on a day of your choice

Christmas delivery slots get booked up, first come first served, so why not take advantage of our early bird offer? Ordering ahead helps us to plan production to deliver freshest produce with longest possible shelf life. Remember that our produce can be frozen.

With very best wishes

Jo x Jonathan Carthen

Hello!

We are a family business, established in 1996, committed to delivering our own fresh and delicious range of naturally oak smoked foods along with other artisan food and drink, mostly Welsh, and always supplied by like-minded family producers.

Oak Smoked Fish, Meats & Cheese

Our award winning produce is hand prepared each week at our smokehouse in Crickhowell. We use traditional curing methods and modern kilns, which evenly distribute natural oak smoke, with no artificial anything!

We take great pride in provenance - sourcing quality foods from trusted UK suppliers only.

Our products are vacuum packed. They should be kept refrigerated at or below 3°C and should be consumed within 3 days of opening. All our products can be frozen without loss of flavour for up to 6 months.

Visit Us

Our smokery shop is open Monday - Friday 9am - 5pm. For seasonal Saturday opening and late hours, please keep an eye on our website. If it helps, you can place orders in advance for collection.

“ We received a box of your salmon as a surprise gift and were bowled over by the quality and variety of the produce. On the strength of that experience, we ordered for ourselves and as a Christmas gift for my sister. Again, the quality was superb and the after sales service exemplary. At a busy time for the Smokery with delivery services over-stretched you were tracking deliveries and ensuring as far as possible that salmon arrived on time. You deserve more than 5 stars.

MARGERIE SMITH, MARCH 2021

Our Service

BLACK MOUNTAINS SMOKERY NEWS

SEPTEMBER 2021

A Great Big Thank You

The past 18 months have been busy, hard, brilliant, unnerving & rewarding. A huge thank you for your amazing support. We feel lucky to have been able to connect friends & family with delicious food parcels during this difficult time.

Team BMS

BMS would not be what it is today without the dedication of our wonderful team. In production Corinne has trained up Alex and welcomes back Naomi (our 2019 student). In the office, Blyth juggles marketing and design alongside being the calm helpful voice you meet over the phone. A big hello to our new placement student Tori, our new gappie Hattie and Anna who joined us in summer. Please look after them as they find their feet! Our massive thanks to you all.

Back On The Road Again!

We are so excited to be attending our favourite Christmas fairs, all in aid of fabulous charities. Find our list of events online or give us a ring. We really missed seeing you all last year and can't wait to see our customers face to face again.

Brand New Black Mountains Smokery!

We are delighted to announce that BMS is having a makeover! We have been expanding our product & hamper range, sourcing exciting new suppliers and creating our new website. If you order online you will need to reset your password to activate your account. Otherwise, we are the very same BMS, always at the end of the telephone to take orders and answer any queries.

Order in advance for delivery on a day of your choice

Christmas delivery slots get booked up, first come first served, so why not take advantage of our early bird offer? Ordering ahead helps us plan production to deliver freshest produce with longest possible shelf life. Remember that our produce can be frozen.

With very best wishes
