Our award-winning produce is hand prepared each week at our smokehouse in Crickhowell. We use traditional curing methods and modern kilns, which evenly distribute natural oak smoke, with no artificial anything!

We take great pride in provenance - sourcing quality foods from trusted UK suppliers only.

Our products are vacuum packed. They should be kept refrigerated at or below 3°C and should be consumed within 3 days of opening. All our products can be frozen without loss of flavour for up to 6 months.

We are a family business, established in 1996, committed to delivering our own fresh and delicious range of naturally oak smoked foods along with other artisan food and drink, mostly Welsh, and always supplied by like-minded family producers.

“Our ham arrived on the dot, in perfect condition. The cheeses were absolutely delicious and the ham literally melted in the mouth, it was really perfect. Well done! I will definitely order again as will others we introduced your products to

BLACK MOUNTAINS SMOKERY NEWS

SEPTEMBER 2023

Thank You

We cannot thank you, our customers, enough for your unwavering support in these unprecedented and unpredictable times. Your loyalty over the past year has kept our BMS team going with a smile on our faces and helped the many family producers that we support.

BMS Roadshow!

We headed up to London for the St. Davids Day Market on South Bank. During the spring and summer, customers have ventured to visit the beautiful Black Mountains in Wales and found our little smokehouse shop aside the many other attractions! Meanwhile the autumn diary is filled with dates for our favourite food festivals and charity fairs that we greatly look forward to.

Great Taste Awards

2 Gold Stars for our Smoked Salmon (The 6th GTA) and an astounding 3 Gold Stars for our Smoked Chicken (a 4th GTA). Our Smoked Trout and Smoked Sea Bass both won awards in 2022 and our Smoked Duck Breast won its 7th GTA award in 2021. Our huge thanks go to Corinne and her production team, who take such enormous care with every batch of food they make.

Stump Up For Trees

Please add a £2 “Stump Up for Trees” donation to your basket to help offset the carbon footprint of your parcel. We match fund every donation to help this fabulous charity plant and maintain trees in the beautiful Brecon Beacons. So far, we have raised funds to plant almost 500 trees and will begin planting in the coming months - very exciting!

Order in advance for delivery on a day of your choice

Christmas delivery slots get booked up, first come first served, so why not take advantage of our early bird offer? Ordering ahead helps us to plan production to deliver the freshest produce with the longest possible shelf life. Remember that our produce can be frozen.

With very best wishes

SMOKED SALMON & SMOKED FISH

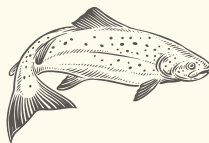

TRADITIONAL SMOKED SALMON

Fresh superior grade salmon, sustainably sourced from Shetland, dry-cured on a bed of salt and gently cold smoked over local oak. Hand sliced or trimmed for you to slice at home. Create delicious blinis or make a starter with mozzarella & salsa verde.

“ A gentle aroma of oak combines well with the salmon. Perky coral colour, good texture, not at all greasy. Fabulous combination of the salmon and the oak - well judged. The smoke does not bully the fish at all. A skilled hand is at work here - balanced, the salt is spot on and there is a lingering flavour. ”
