BEA BLANCO – MAY 2026

“The Black Mountains Smokery is a treat to visit. Their smoked meats and fish are delicious. I've tried many. Add to that a range of deli and local produce (also tried) and you can have a great time browsing and buying tasty goodies to take home. The staff are very helpful and knowledgeable too, so it's well worth a visit.”

BLACK MOUNTAINS SMOKERY NEWS

SEPTEMBER 2026

Since Jonathan and Jo Carthew started the business in 1996, they've built Black Mountains Smokery from humble beginnings into the business it is today. Thirty years is a significant milestone, and one that deserves to be celebrated. It also marks the start of a new chapter. In February I took over took over the business with my partner Hannah and we are incredibly proud to be continuing the Black Mountains Smokery story.

We would like to express our deepest gratitude to Jo and Jonathan for passing on so much of their expertise during the handover process and for their continued support. We wish them the happiest of retirements, full of good times and good fishing!

While this change may seem significant, we want to reassure you that it's very much business as usual. We're incredibly excited to welcome back our loyal customers, as well as the many new customers who continue to discover us. Our commitment to the high standards you've come to expect, both in our food and our service, remains unchanged. As does our fantastic team, whose unwavering support, hard work, professionalism and humour have made our first year so special.

Testing Summer

As you're all too aware, this has been a testing summer with heat waves & prolonged dry spells. BMS has not been without its trials throughout this period too. Cold smoking requires temperatures to be 21 degrees Celsius and below which has meant we've been smoking late at night and in the early hours when temperatures have allowed. To that end I'd like to thank the team for working odd and antisocial hours in an effort to keep the

supply line running, and for your patience as customers when conditions have meant supply has slowed.

Great Taste Awards

We are delighted to announce that we were given this prestigious award for our products again this year. Duck continues to wow customers having won the golden fork in 2025. We're also delighted to announce that in collaboration with Blaenafon Cheddar, our smoked Pwll Mawr won Gold in the International Cheese Awards 2026.

Events

Some dates for the diary. Our merry band will be present at many Christmas Fairs all over the country from late September to early December. Perhaps too many to list here, so I'd encourage you to visit our website and keep an eye on our social media platforms to see where we'll be. We'll also be hosting our annual tasting day on Saturday 5th December at our shop in Crickhowell. This will also be something of a 30th Birthday Celebration, so please do save the date and join us if you can.

Last but not least...

I'd like to extend the warmest of Season's Greetings to all of you & your loved ones. We look forward to meeting many of you at one of the many Christmas Fairs throughout the autumn, in our shop, or over the phone in coming months.
